## Summary

---

Junior Developer with expertise in full stack and mobile app development. Skilled in ReactJS, Spring Boot, and Bootstrap. Experienced in building responsive web designs and cross-platform mobile apps with React Native and Expo. Proficient in Firebase integration, MySQL database management, and programming languages including Java, C++ and JavaScript. Strong collaborative skills and a track record of delivering high-quality software solutions.

## Professional Experience

---

### Junior Developer, Cloudsmaya Services Private Limited

02/2024 – present  
Bhiwandi

#### Full Stack Development

- Utilized ReactJS with hooks, Axios, and various libraries to build dynamic user interfaces.
- Ensured responsive web design using CSS and Bootstrap for optimal user experience across devices.
- Developed and implemented backend systems with Spring Boot, creating several APIs, controllers, services, and JPAs.
- Collaborated with cross-functional teams to define, design, and ship new features.
- Handled database operations with MySQL, ensuring efficient data storage and retrieval.
- Conducted thorough testing to ensure high-quality, bug-free code.

#### Expo/React Native Development

- Developed and maintained the Mufama app for both iOS and Android platforms using Expo Native with WebView.
- Integrated Firebase for backend services, including push notifications with Firebase and Expo.
- Implemented cross-platform features ensuring consistency and functionality on both iOS and Android devices.
- Conducted performance optimization and debugging to improve app stability and user experience.

## Education

---

**B.E in Computer Engineering, SKN Sinhgad Institute of Technology & Science Lonavala (SPPU)**

2019 – 2023

CGPA : 8.91/10

**HSC(12th), Maluma junior college**

2019

Percentage : 65.85/100

**SSC(10th), Rais high school**

2017

Percentage : 85.40/100

## Skills

---

### **Programming Languages:**

- Java, C++, Python, PHP, JavaScript

### **Frameworks/Libraries:**

- ReactJS, Spring Boot, Bootstrap, React Native(With Expo)

### **Database:**

- MySQL

## Projects

---

### **Chat Application**

**Key Skills :** HTML5 | CSS | Javascript | PHP |MySQL

Developed a dynamic and interactive website enabling users to create profiles and engage in real-time chat with other users.

### **Student Forum**

**Key Skills :** HTML5 | CSS | Javascript | PHP |MySQL

Conceptualized and developed a vibrant student forum platform, providing a space for students to engage in meaningful discussions, share thoughts, and collaborate on academic topics.

### **Conversational AI Assistant**

**Key Skills :** Python | Tkinter

Developed a Conversational AI assistant capable of engaging in natural language conversations and providing solutions to user queries.

### **University Website**

**Key Skills :** HTML5 | CSS | Javascript

Designed and developed a dynamic website using HTML, CSS, and JavaScript to provide comprehensive information about university/college courses and facilities.
